No. R. 7942—L. R. 338-15-9, dated 31st January 1918.

INVITING OPINION ON CONSTITUTION OF NEW TALUKS BY THE ABOLITION OF SUB-TALUKS.

The question of abolishing Sub-Taluks and constituting new Taluks in their place wherever necessary by territorial readjustment, has been engaging the consideration of Government for some time past. The matter has been also frequently pressed upon Government by the public and the Members of the Representative Assembly.

2. The question has not been carefully considered and the proposals before Government are as follows:—

- (i) The marginally noted seven Sub-Taluks may be constituted into seven Taluks by the addition of a few villages from the adjoining taluks. The headquarters of the new Taluks may be the same as those of the Sub-Taluks, except in the case of No. 6 (Narasimharajapura), which will have Balehonnur as headquarters.

(ii) The remaining two Sub-Taluks of Alur and Kumsi, may be abolished and absorbed in the Taluks of Hassan and Shimoga respectively.

3. Government will be prepared to consider objections to these proposals, or other suggestions in respect of them, from the public, if preferred within a period of three months from the date of this notification. The proposals are embodied in the appendix.
